Tasting Notes

lunarridgewine.com

LABEL: LUNAR RIDGE	VINTAGE: 2023 (only 150 cases crafted)	VARIETAL: SYRAH

AVA:

Coombsville, Napa Valley, produces outstanding Syrah due to its volcanic soil and long cooler maturing climate, influenced by its proximity to San Francisco Bay, resulting in early bud break and later harvest. Coombsville wines are recognized by their soft, but significant tannins, which provide excellent structure and mouthfeel, along with underlying layers of earth and mineral flavors. Wines from this region are quite approachable yet sophisticated, complex, and layered.

SEE

COLOR	Spectacular deep ruby red

SMELL

INTENSITY	Medium intensity
AROMAS	Complex aromas of blackberry, plum, with notes of licorice and white pepper

TASTE

SWEETNESS	Dry
TANNIN	Mature silky-smooth round tannins providing a full broad texture
ALCOHOL	Moderate alcohol: 14.5%
FLAVORS	Ripe black cherry, wild blueberry, and plum, with a hint of licorice and white pepper. Lingering flavors of berry and spice
FINISH	Round and supple, with well-balanced acidity and tannins
EXPERIENCE	Big time flavor, Syrah spice, with a touch of French Oak complementing the fruit. Priced for everyday enjoyment

ABOUT LUNAR RIDGE:

Our family's winemaking journey began over two decades ago with the goal of creating **an experience** that stimulates the imagination and brings you back vintage after vintage. The label reflects the view from our vineyard on a brilliant moonlit night in Napa Valley, where you can relax and ***imagine what could be***. Wherever you are, we invite you to taste Lunar Ridge and imagine what could be.
